

ALTERNATIVE DESCRIPTION:
Midlothian Rd. Overpass. Quadrant bypass
5-lane Midlothian Rd. section and jog handle connector
3-lane Fairfield Rd. section
Potential new signal at Old McHenry Rd. and connector
Potential new signal at Midlothian Rd. and Landover Pkwy.

NOTES:
1. Multi-use path is located on east side of connector and Midlothian Rd.
2. Multi-use path and sidewalk require local agency cost participation.
3. Additional space may be needed to accommodate off-site drainage patterns, and for required
operational water quality facilities. This will be included in Level II analysis.
4. X alternatives assume an O4 alternative improvement along Old McHenry Rd.
